

Brannan Sand & Gravel and Shea Homes Receive Statewide Quality Award

Denver, Colorado, (February 2018) – Shea Homes and local paving contractor Brannan Sand & Gravel have been recognized with a “Best in Colorado” Quality Award in the Residential Subdivision Category for their Colliers Hill project in Erie.

The Colorado Asphalt Pavement Association “*Best in Colorado*” Quality Awards are presented annually to recognize the quality efforts of asphalt producers, contractors and agencies/owners in the State of Colorado. 52 nominations were nominated for the 2017 awards and 13 projects were recognized as “*Best in Colorado*” in a variety of categories. Nominations are judged on overall quality and smoothness. The awards dinner was held in conjunction with the 45th Annual Rocky Mountain Asphalt Conference and Equipment Show at the Crowne Plaza – DIA on February 21, 2018.

“This award is well deserved and speaks to the commitment to quality from Brannan Sand & Gravel and the excellence in oversight and partnering from Shea Homes.” stated Tom Peterson, Executive Director, Colorado Asphalt Pavement Association.

This \$1.6M project included construction of Filings 1 & 2 of the Colliers Hill subdivision and placement of 23,000 tons of asphalt. The initial paving began in October 2013 with the final overlay placed in August 2017 after a two-year final build out period. The project also included adjusting and raising 287 utility services. Alpha Milling and Precise Striping contributed to the success of the final project.

The judges scored perfect 10s for both segregation and transverse joints and a 9.5 for longitudinal joints, noting “The joints are great and very smooth ride, fantastic project.”

Accepting the award (L to R): Abe Jr. Perez (Brannan), John Macdonald (Shea), Brian Moon (Brannan).

Additional information about the Colorado Asphalt Pavement Association:

The Colorado Asphalt Pavement Association (CAPA) is a not-for-profit association representing approximately 28 asphalt producers, 170 affiliate and associate member organizations and 70 Local Agencies (municipalities). CAPA promotes and publicizes the use of quality asphalt in Colorado and encourages fair methods of contracting. To support quality achievement in Colorado, CAPA operates the Rocky Mountain Asphalt Education Center and the Laboratory for Certified Asphalt Technicians. CAPA is the asphalt industry voice working with the Colorado Department of Transportation, the Federal Aviation Administration, local agencies and others throughout the State of Colorado.
