

## Brannan Sand & Gravel receives CDOT Smoothness Award

Denver, Colorado (February 2018) – Brannan Sand & Gravel Company of Denver has been recognized with a Colorado Department of Transportation state wide Smoothness Award Pavement Category I for their US 85 project in Adams County.

The award was presented at the Colorado Asphalt Pavement Association Awards Dinner & Program held in conjunction with the 45<sup>th</sup> Annual Rocky Mountain Asphalt Conference and Equipment Show at the Crowne Plaza – DIA on February 21, 2018.

CDOT recognizes the smoothest paving project in each of their three roadway smoothness specification categories. The awards are based on CDOT's measured roadway smoothness profile using HRI specification requirements. Smoothness Pavement Category I is for Urban Reconstruction with or without curb and gutter and one layer overlays over an intermediate treatment.

This project was located along US Highway 85 between 124<sup>th</sup> Avenue and 168<sup>th</sup> Avenue near Brighton. The project had an average HRI of 53.7 and received 70.5% of available smoothness incentive for 21.8 lane miles of paving. This amounted to \$138,000 of an available \$196,000.

"This award is well deserved and speaks to the commitment to quality from Brannan Sand & Gravel Company" stated Tom Peterson, Executive Director, Colorado Asphalt Pavement Association.

Accepting the award (L to R): Seth Flutcher (Alpha Milling), Miquel Fernandez (Alpha Milling), Austin Konkel (Hamon Infrastructure), Andrea Hebard (CDOT), Garrett Olsen (Brannan), Donald Perez (Brannan), Grant Cruseturner (Brannan).

### **Additional information about the Colorado Asphalt Pavement Association:**

The Colorado Asphalt Pavement Association (CAPA) is a not-for-profit association representing approximately 28 asphalt producers, 170 affiliate and associate member organizations and 76 Local Agencies (municipalities). CAPA promotes and publicizes the use of quality asphalt in Colorado and encourages fair methods of contracting. To support quality achievement in Colorado, CAPA operates the Rocky Mountain Asphalt Education Center and the Laboratory for Certified Asphalt Technicians. CAPA is the asphalt industry voice working with the Colorado Department of Transportation, the Federal Aviation Administration, local agencies and others throughout the State of Colorado.
